

INSTRUCTION SHEET

It is recommended that only licensed plumbers with knowledge of installing decorative plumbing products be employed to install Legacy Brass products. Failure to do so may cause product malfunction and needless additional cost.

INSTALLER NOTICE: Do not use plumbers' putty to install this product. The use of plumbers' putty will void the homeowner's finish warranty. We recommend using a clear silicone sealant when necessary.

Accessories are considered to include Towel Bars, Towel Rings, Paper Holders, Robe Hooks, Soap Dishes and Glass Holders.

NOTE: TOWEL BARS ARE NOT GRAB BARS AND WILL NOT BEAR WEIGHT GREATER THAN THAT OF WET TOWELS.

All accessories are installed with mounting posts. Some use only one post, while others use two.

MOUNTING POST INSTALLATION

- 1) **For Dry Wall:** Mark the wall for the screwholes using the mounting post base. Drill 3/16" holes. Insert the Wall Anchors so they are flush with the wall. Screw the mounting post to the wall using the screws provided.
- 2) **For Mounting into Wood:** Mark the wall for the screwholes using the mounting post base. Drill 1/8" holes. Screw the mounting post to the wall using the screws provided.

For two post accessories, measure the center to center of the product and install the second post at the appropriate distance.

NOTE: Paper holders should be installed at a distance of 5" to 5 1/2" center to center.

ACCESSORY POST INSTALLATION

- 1) Slide the Accessory Post onto the mounting post and tighten the set screw with the allen wrench provided.

INSTALLER

Important Cleaning Notice

Please refer to *Care & Maintenance Instructions* for complete cleaning instructions. **Never clean with abrasives, acids or detergents.**
Wipe with soft, damp cloth.
